

MEMORANDUM OF UNDERSTANDING

BETWEEN

**CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A), GANDIPET,
HYDERABAD, INDIA**

AND

RSB ENVIRONMENTAL SOLUTIONS, LLC

(1828 SE 7th St., Cape Coral, FL 33990, USA)

This Memorandum of Understanding ("MOU" also called "Agreement") is entered into from this "Date: **March, 2026**" for a period of **Three** Years.

***Party 1 --* CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A),
Hyderabad, Telangana-500075. INDIA**

AND

Party 2 -- RSB Environmental Solutions, LLC, a company registered under the laws of the State of Florida, USA, and having its Registered Office at 1828 SE 7th St., Cape Coral, FL 33990, USA represented herein by its Administrator, Mr. Ruben Darion Salazar.

1. Introduction

Party 1 - CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (CBIT), established in the Year 1979, esteemed as the Premier Engineering Institute in the States of Telangana and Andhra Pradesh, was promoted with an Objective to facilitate the Best Engineering and Management Education to the Students and contribute towards meeting the need of Skilled and Technically conversant Engineers and Management Professionals, for the Country that embarked on an Economic Growth Plan. In its four decades of existence, all the Stake Holders of the Institute, relentlessly endeavoured to position CBIT as an Institution that is a Leader and an Innovator in the Ecosystem of Engineering Higher Education and Management. With the Students being the singular Objective, the Institute has established excellent Infrastructure such as State-of -- the Art Laboratories, spacious Library with Printed and Digital Collection of Books and Journals, Sports, Hostel, and other Infrastructure for Research, Innovation, Incubation, Entrepreneurship, Extra and Co-Curricular Engagements with a total built-up Area of about 57.714 Sq. Mts., in the serene Ambience of 50 Acres to inspire, encourage and pursue Academics. In its relentless strive for Academic excellence, CBIT(A) has scaled great heights both Nationally and Internationally in Industry and Global Universities.

Prof

RSB

Party 2 -- RSB Environmental Solutions, LLC, is a company dedicated to providing environmental solutions, with expertise in areas such as treatment of Pharmaceutical, Metal plating and processing, Food packaging, and Wastewater Treatment. The Company seeks to enhance its technological innovations and workforce development through collaboration with academic institutions.

2. Recitals

RSB Environmental Solutions, LLC is interested in engaging with **CBIT** in areas of mutual interest as framework outlined below but not necessarily restricted to those mentioned below.

CBIT is committed to promoting academic excellence and research. The Institute has facilities and talent to engage in joint research, consultancy, and training programs.

Based on the discussion held among the faculty Members **CBIT** and **RSB Environmental Solutions, LLC** certain thematic areas / programmers have been identified for mutual collaboration. The Benefits of this collaboration are follows.

- Joint research and innovation activities in environmental solutions.
- Consultancy services by **CBIT** faculty on market-relevant research.
- Professional training of students, scientific, academic, and administrative staff.
- Opportunity for flexible Ph.D. to corporate/industry employees (subject to applicable laws and Regulatory Framework).
- Establishment of a **Centre of Excellence** on the **CBIT** campus.
- Joint workshops/webinars/panel discussions/round tables.
- Exchange of information, teaching materials, and publications.
- Implementation of mutual cultural programs and/or short-term academic programs.

The Parties understand that this is a non-commercial and mutually beneficial arrangement for upskilling and further enhancement of the faculty members and/or students of **CBIT** and employees of the Company, in good faith.

Hence, **CBIT** and **RSB Environmental Solutions, LLC** enter into this MOU for facilitating collaboration in research, workshops, and training. It is further agreed that this agreement is being signed by the parties without any pressure, influence, or any type of compulsion. **CBIT** and **RSB Environmental Solutions, LLC** propose to collaborate for three years from 07 March, 2026 to 06 March, 2029, will conduct the following programs at **CBIT** based on mutual interest and discussion.

1. **Joint Research & Innovation:** Joint research and innovation activities, including consultancy services by **CBIT** faculty on market-relevant research, such as treatment of Pharmaceutical, Metal plating and processing, Food packaging, and Wastewater Treatment.
2. **Training & Development:** Professional training of students, scientific, academic, and administrative staff; corporate training by **CBIT** faculty.
3. **Ph.D. Opportunities:** Opportunity for flexible Ph.D. to corporate/industry employees (subject to applicable laws and Regulatory Framework).
4. **Centre of Excellence:** Space for setting-up **Centre of Excellence** on **CBIT** campus. On request by the **CBIT** faculty the company, within its expertise, shall develop collaborative research projects to address needs of the **CBIT** industrial clients and other funding sources.
5. **Naming Rights/Awards:** Naming rights/instituting awards in corporate/industry names.

Handwritten signature

Handwritten signature

6. **Publications & Exchanges:** Exchange of information, teaching materials, and publications.
7. **Financial Considerations:** Though there is no direct financial commitment or transactions on either of the parties, to take up any program, a detailed expenditure as worth and value needs to be placed on record for the works mentioned in this MoU. If there is any financial consideration or transaction, it will be dealt with separately and such specific MOU(s) may be mutually discussed, agreed and entered separately.
8. **Approvals:** Both Parties to obtain internal approvals, consents, permissions, and licenses of whatsoever nature required.

In consideration of the above recitals and the mutual benefits to be derived hereafter, the parties agree to enter into an Agreement as follows:

ARTICLE -- I: Scope of the MoU

This document outlines a strategic understanding between **RSB Environmental Solutions, LLC** and **CBIT (A)** to work together for collaborative research, upskilling, and enhancement of faculty members and/or students of CBIT and employees of the Company. The primary aim of this partnership is to aid in establishing a high-quality people repository and socially benefitting areas in environmental technology and allied fields.

ARTICLE -- II: Scope and Terms of Interactions

Both **CBIT (A)** and **RSB Environmental Solutions, LLC** shall encourage interactions between the Institutes, Students & Staff, of both the organizations through the following arrangements:

1. Both **CBIT (A)** and **RSB Environmental Solutions, LLC** will plan to work on joint development projects of Mutual Interest and also explore for joint working on Govt. funded projects based on mutual agreement.
2. Practical training of CBIT students at CBIT Campus / in the form of STTPs, Semester Internship at **RSB Environmental Solutions, LLC**, by mutual agreement.
3. Joint guidance of student projects/events in various genres and areas of social interest at **CBIT (A)** by **RSB Environmental Solutions, LLC** on mutual agreement.
4. Summer Training Program (On Campus Training Program).
5. Event Management/ Organising.
6. Guest Lecture, Expert Lecture.
7. Skill Development/awareness Program and Student Development Program.
8. There will be no restriction on the contents of the project/output/script and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.
9. If the outcome of any production, workshop or Internship or the Thesis work, or the combined project results into an intellectual property, for which rights can be secured, it will be decided on case-to-case basis depending upon the contribution from both the Institution. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc. will be decided on case-to-case basis after mutual consultation and agreement.
10. **CBIT** will provide the following infrastructure facilities during this training program Subject to availability.

Res 4

- o The needful infrastructure of class area, manpower and electrical connections for the classroom equipped with all essential necessities.
- o Necessary fabrication lab space & workshop along with tools. Necessary machines for fabrication process.
- o Accommodation in guest house, Hospitality and Local Transportation will be provided to the trainers, experts, speakers and Guests based on mutual discussion.

11. RSB Environmental Solutions, LLC will provide its expertise and resources for collaborative projects.

12. RSB Environmental Solutions, LLC will provide hosting certificate to the CBIT.

13. The program execution will be done with mutual discussion and agreement of both the parties.

14. There is no direct financial commitment from either side. Any such aspects will be discussed mutually and a separate agreement will be signed if necessary time to time.

ARTICLE-III: Sharing of Facilities

a) RSB Environmental Solutions, LLC shall extend its facilities for CBIT (A) students towards the smooth conduct of Workshops, Internships, expert lecture and Projects depending on their convenience and availability of time & staff.

b) RSB Environmental Solutions, LLC provides access to the technical and research resources available for research and training purposes, to the members of faculty and students as per the RSB Environmental Solutions, LLC rules and norms.

c) RSB Environmental Solutions, LLC will also share its facilities with CBIT as per RSB Environmental Solutions, LLC norms.

ARTICLE-IV: Effective Date and duration of the MoU

a) This MoU will be effective from the date of its approval by competent authorities at both ends.

b) The duration of the MoU will be for a period of **THREE** years from the effective date which may be extended after mutual understanding. However, if any Important combined projects are under execution, both parties agree to complete the work even the MoU is not effective after **three** years.

c) During its tenancy, the MoU may be extended or terminated by a prior notice of not less than **thirty (30)** days by either party. However, termination of the MoU will not in any manner affect the interests of the students & faculty who have been admitted to pursue a Training/Project under the MoU.

d) Any clause or article of the MoU may be modified or amended by mutual agreement of RSB Environmental Solutions, LLC and CBIT (A).

ARTICLE - V: IPR

Rights regarding publications, patents, royalty, ownership of **intellectual property** developed etc. under the scope of this MoU, will be decided by CBIT (A) and RSB Environmental Solutions, LLC based on **Mutual agreement in separate project-specific agreements**.

Resh

ARTICLE -- VI: Confidentiality

During the tenure of the MoU both **CBIT (A)** and **RSB Environmental Solutions, LLC** will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

Both **CBIT (A)** and **RSB Environmental Solutions, LLC** shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or PROJECTS. Further both **CBIT (A)** and **RSB Environmental Solutions, LLC** should put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

CONFIDENTIAL INFORMATION shall mean any proprietary information, ideas, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions. However confidential information should not include any data or information which:

- (a) is or becomes publicly available through no fault of the receiving party.
- (b) is already in the rightful possession of the receiving party prior to its receipt of such data or information;
- (c) is independently developed by the receiving party without reference to the confidential information of the disclosing party
- (d) is rightfully obtained by the receiving party from a third party or is in the public domain.
- (e) is disclosed with the written consent of the party whose information it is, or
- (f) is disclosed pursuant to court order or other legal compulsion, after providing prior notice to the disclosing party.

ARTICLE -- VII: Amendments

Any amendment and/or addenda to the AGREEMENT should be in writing and signed by the PARTIES hereto and shall only after such execution be deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addenda.

ARTICLE -- VIII: Compensation, Force Measure, Approval and Dispute Settlement

a) Compensation

Neither Party shall be liable to the other for any incidental, indirect, special or consequential damages, including but not limited, to loss of profits, loss of use, loss of revenues or damages

Red

to business or reputation arising out of or in connection with this Agreement or any aspect thereof. Neither Party shall be liable to the other by reason of the termination or expiry of this Agreement for compensation or damages on account of the loss of prospective business or on account of expenditures in expectation thereof.

b) Force Majeure

Any delay or failure in performance by the party to this Agreement, shall not constitute default hereunder to give rise to any claims for damages against said party, if any, to the extent caused by matters beyond the control of said party including but not limited to acts of Nature, Strikes, Lock outs or other concerted acts of workmen, fires, floods, explosions, blockages, embargoes, riots, war (declared or undeclared), rebellion, sabotage, extraordinary severe weather, pandemic situation, civil commotion and criminal acts of third persons. If the project under execution is delayed by such force majeure, then upon the happening of such delay, the parties within 30 days of the happening of such event, shall give notice in writing, requesting for extension of time indicating the period for which extension is desired. Efforts will be made by both parties to give fair and reasonable extension of time for the project at their discretion but no monetary allowances shall be made unless it is mutually agreed.

c) Approval of the MoU

This Agreement may be signed by authorized officials, whether by original signature or by scanned signature due to the current situation (provided the pdf documents accompanied with official email), signature/approval over official email, with the same effect as if the signature to any counterpart was an original signature upon the same instrument.

d) Dispute and Settlement

i) In case of any dispute (s), steps shall be taken by the parties to the MOU to settle the same through amicable negotiations. In case, dispute is not settled in negotiations, it shall be referred to Conciliator appointed by the designated official as per the bye law of CBIT (A), Hyderabad to arrive at a settlement. In case dispute is not settled in conciliation proceedings, the same shall be referred to Arbitration for resolution of the dispute under Arbitration and Conciliation Act 1996. The arbitration proceeding shall be conducted as per provisions of the Arbitration and Conciliation Act, 1996. The dispute shall be referred for arbitration to sole arbitrator to be appointed by the designated official (s) as per the bye law of CBIT (A) - Hyderabad. The award of the sole arbitrator shall be final and binding on both the parties. The venue of the Arbitration shall be at Hyderabad in India. The Award to be given by the Arbitration shall be a speaking award.

This clause supersedes the Governing Law clause present in the original RSB MOU draft.

ii) Applicable Laws and Jurisdiction of Courts

Indian laws both substantive and procedural, for the time being in force, including modifications thereto, shall govern the MOU including the arbitral proceedings. The competent Courts at Hyderabad in the State of Telangana - India shall have sole jurisdiction. All questions, disputes, differences arising under, out of or in connection with this MOU shall be to the exclusive jurisdiction of Hyderabad courts in the State of Telangana.
